

Tildeling af ASR submitter rolle

Skal tildeles af en CTIS User Admin (personer med denne rolle, vil have *User Administration* fanen i topbjælken)

Klik på *User Administration*

Klik på *Assign New Role* yderst til højre under søgefeltet

Udfyld pop-up boksen med egne informationer om den bruger der skal have rollen *ASR Submitter*, inkl. EU CT nummer og tryk *Assign*. Det er ikke nødvendigt at udfylde dato boksene.

The image shows a pop-up form titled 'Assign role(s)' with a close button (X) in the top right corner. The form has a light gray background and contains several input fields and dropdown menus. The fields are: 'User Id' (text input with value 'sirimanordb_s'), 'User Email' (text input with value 'ssir@dkma.dk'), 'Organisation name' (dropdown menu with value 'Achilles Therapeutics Limited'), 'Organisation Id' (text input with value 'ORG-100011446'), 'Role' (dropdown menu with value 'ASR Submitter'), 'Scope' (dropdown menu with value 'Specific trial'), 'EU CT number' (text input with value '0000-000000-00-00'), and 'Authorised date' (two date pickers with placeholder 'dd/mm/yyyy'). At the bottom right is a blue button with white text that says '+ ADD ROLE'. At the bottom center are two buttons: 'CANCEL' and 'ASSIGN'.

Log ud af CTIS og log på igen. Fanen *Annual Safety Reporting* burde nu være synlig i topbjælken
