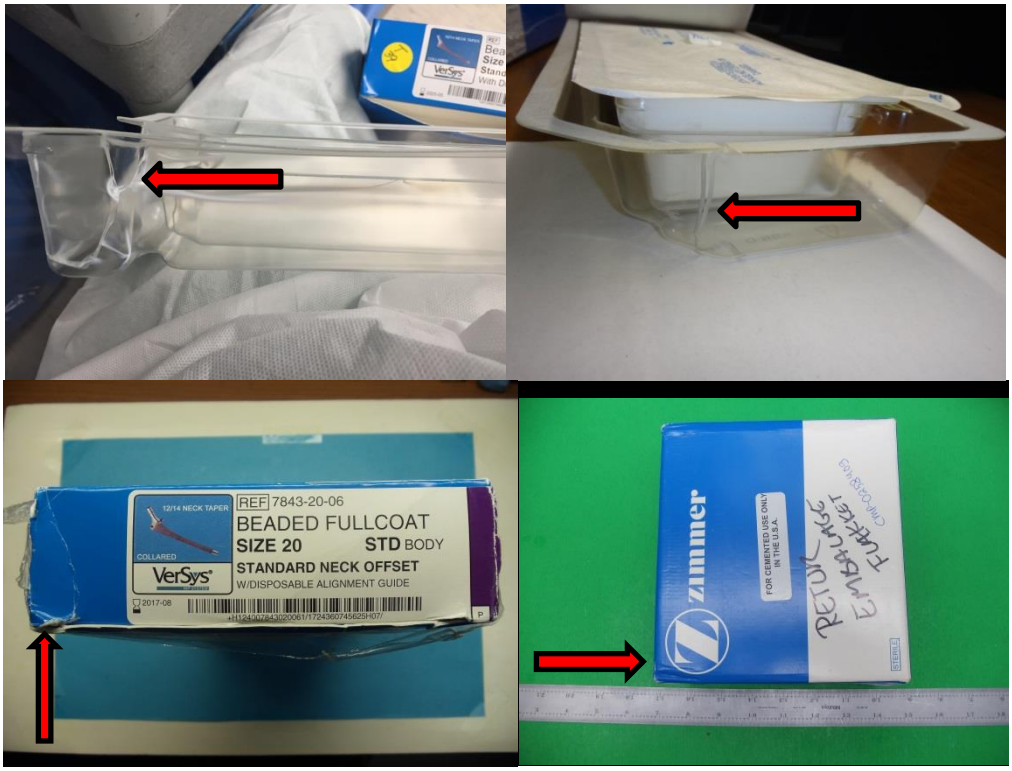
Subject: **URGENT MEDICAL DEVICE FIELD SAFETY NOTICE - REMOVAL – Lot Specific**

Reference: **ZFA2017-300**

Affected Product: Versys Beaded Hip Stem and Segmental Knee Products Packaging Issue

See Attachment 2 – Affected Product List



Zimmer Biomet is conducting a medical device field safety notice related to packaging for selected lots of Versys Beaded Hip Stem and Segmental Knee products. The affected products were packaged in a previous configuration that was not tested for products weighing over 487 grams. If a product exceeds the weight tested, there is an increased likelihood of compromising the sterile barrier integrity. The products affected are only those that are packaged in the previous configuration. Products packaged in the current configuration are not affected by this issue.

Risks		
Describe immediate health consequences (injuries or illness) that may result from use of or exposure to the product issue.	Most Probable	Worst Case
	Delay in surgery <30 minutes	Delay in surgery > 30 minutes
Describe long range health consequences (injuries or illness) that may result from use of or exposure to the product issue.	Most Probable	Worst Case
	None	Infection, requiring removal of the implant or implant loosening

Our records indicate you may have received one or more of the affected products. The affected units were distributed between the dates of December 2002 and October 2016.

Hospital Responsibilities:

1. Review this notification and ensure affected personnel are aware of the contents.
2. Assist your Zimmer Biomet sales representative quarantine all affected product.
3. Your Zimmer Biomet sales representative will remove the affected product from your facility.
4. Complete Attachment 1 – Certificate of Acknowledgement.
    a. Return a digital copy to fieldaction.emea@zimmerbiomet.com.
    b. Retain a copy of the Acknowledgement Form with your field action records in the event of a compliance audit of your facilities documentation.
5. If after reviewing this notice you have further questions or concerns please contact your Zimmer Biomet Representative.

Surgeon Responsibilities:

1. Review this notification for awareness of the contents.
2. There are no specific patient monitoring instructions related to this field action that are recommended beyond your existing follow up schedule.
3. Complete Attachment 1 – Certificate of Acknowledgement.
    a. Return a digital copy to fieldaction.emea@zimmerbiomet.com
    b. Retain a copy of the Acknowledgement Form with your field action records in the event of a compliance audit of your documentation.
4. If after reviewing the notice you have further questions or concerns please contact your Zimmer Biomet representative.

Other Information

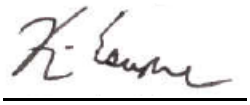
This voluntary medical device Field Safety Notice was reported to all relevant Competent Authorities and the related Notified Body as required under the applicable regulations for Medical Devices as per MEDDEV 2.12-1 in Europe.

Please keep Zimmer Biomet informed of any adverse events associated with this product or any other Zimmer Biomet product by emailing winterthur.per@zimmerbiomet.com or to your local Zimmer Biomet contact.

Please be aware that the names of user facilities notified are routinely provided to the Competent Authorities for audit purposes. The undersigned confirms that this notice has been delivered to the appropriate Regulatory Agencies.

Thank you for your assistance. We regret any inconvenience caused by this Field Action.

Sincerely,



Kevin W. Escapule
Product Surveillance & Regulatory Compliance Director
