Dear Valued Customer,

This letter is to inform you of a recall of Omnia Soft Tissue Punches due to a potential sterilization discrepancy.

### Reason for Recall

Omnia has been made aware of a situation at a contract sterilization facility regarding inadequate or inappropriate sterilization processes being followed by employees of the contract sterilizer. This could result in the potential for impacted product labeled as sterile to be non-sterile before patient use. Patient harm has not been reported as a result of this situation.

### Actions to be taken by Omnia Customers:

1. Quarantine and discontinue use of all Omnia Soft Tissue Punches.
2. Contact Omnia Customer Service at +39 0524 527453 with any questions. For replacement product, please reach out to your Sales Representative or Omnia Customer Service.
3. Please return the enclosed Acknowledgment Form with completed information to Alessandra Cesari, Recall Coordinator, via email at [Alessandra.cesari@omniaspa.eu](mailto:Alessandra.cesari@omniaspa.eu).
4. If this product was further distributed, please notify your customer of this recall.

We sincerely apologize for any inconvenience this situation may cause you or your customers.

**Alessandra Cesari**
