66800788,	Swabs	• •
66800789,		
66800790		

#### Dear Customer:

This letter is to inform you that Smith & Nephew Medical Limited has initiated a field action to voluntarily remove certain batches of No-Sting SKIN-Prep Wipes and No-Sting SKIN-Prep Swabs due to a manufacturing error resulting in the presence of acetic acid causing a vinegar-like odor and potential minor skin irritation.

This field action has been reported to the relevant competent authorities.

## **Patient Impact**

Smith+ Nephew recommends that physicians maintain their routine patient follow-up protocol.

Risks to Health	In the most likely scenario, the user opens the product, detects the odor, and does not continue to use the product. There is no harm. In the worst case scenario, the user opens the product and uses the NSSP wipes/swabs. The patient's skin is exposed to an increased level of acetic acid, potentially resulting in minor skin irritation.
Actions to be taken by the user	Ensure that the contents of this Field Safety Notice are read and understood by those within your organisation who may use No-Sting SKIN-Prep Wipes and No-Sting SKIN-Prep Swabs
	<ol> <li>Locate and quarantine affected devices immediately. If you have further distributed the product to other organisations, please inform them at once of this Field Action and provide to them a copy of this letter.</li> <li>Please discard affected product at your facility.</li> </ol>

- 4. Please complete the Customer Response form and email or fax it to your national Smith+Nephew agency/distributor.
- 5. Please maintain awareness of this notice and resulting action for an appropriate period to ensure the effectiveness of the corrective action.

If you or any of the healthcare providers you serve have any questions regarding this information, please contact your national Smith+Nephew agency/distributor.

Smith+Nephew is committed to distribute only products of the highest quality standards and to provide any required support. We regret that this has occurred and any inconvenience it may cause or has caused you, your patients, or your staff.

Thank you for your attention and cooperation.
