Reassessment of the reimbursement status of medicinal products in ATC group A08 resulting from the reassessment procedure

The Danish Medicines Agency has reassessed the reimbursement status of medicinal products in ATC group A08 (antiobesity preparations, excl. diet products), and your company has notified a price of one or more of these products at Medicinpriser.dk as of 5 April 2009 or earlier.

3 July 2009

Case no.:
5315-16

Our decision is enclosed.

Those of your medicinal products which are comprised by the enclosed decision are listed below along with a specification of their reimbursement status as from 13 July 2009.

[..]

The enclosed decision concerns all strengths and pack sizes of the medicinal product in question.

Best regards,

Elisabeth Thomsen
